Q. 2. What, according to Padma's father, is the identity of a woman? Do you agree with him? (4) - (9)

Ans. - According to Padma's father, the marriage is the identity of a woman. But, I do not agree with him. According to me, marriage does not give the identity of a woman. A woman can also develop her identity without having her marriage. There are several instances to prove that without marriage women are no way inferior to men. Lata Mangeskar, Mother Teresa, Jai Lalita, Uma Bharti, Mamta Banarjee are some personalities who got their identity without having their marriage.
